

Reading 2 Tim 2: 1-19

Sustained in Sufferings

(No one said it would be easy)

Suffering is unavoidable

Christians are far from immune from it

JESUS himself said believers **WILL** have suffering in this life *John 16:33 Revln 2:10*

Godly writers are puzzled

Psalms 73 & Jeremiah 12

WHY God ?

A biblical platform to support our understanding, remember Paul is writing about **practical Christian** living to a young Pastor in difficult times and a complex society he emphasizes the disciplined life of a soldier

- **2 Tim 2 & 3** We can expect hardship & suffering and it may increase
- **2 Tim 1, 2 & 3** It may come because of our godly lifestyle, our sharing of the gospel, or a stand for biblical truth & values
- **2 Tim 1 & 4** It came come when we are rejected or lonely or depressed .
- **2 Tim 2: 22** It can be a consequence of us living an unholy lifestyle

Good news God **WILL** give us grace & power to endure suffering and

A: Overcome B: Fulfill our purpose & mission

So how do we do it ?

Let's see what Christian suffering **IS** and what it is **NOT** as we conclude.

Sermon in a Sentence

**Christian suffering is NOT Resentful Resignation, it
IS Restful Rejoicing**

A simple prayer of commitment

Lord Jesus there are many things in life I don't understand, I have experienced pain and suffering but I commit myself to you now, fully forgiving those who have hurt me. I rest in the fact that you will continue to display in me your glorious life through all that I pass through, till I see you face to face —

Amen
